To Whom It May Concern:

This letter is my personal recommendation for Mark Robertson, PLS. I have been Mark's supervisor during his employment with **THHinc**. I found him to be consistently pleasant, tackling all assignments with dedication and a smile.

Besides being a joy to work with, Mark is a take charge person who is able to develop creative solutions to some of the most difficult challenges that our survey group have faced. During his time at **THHinc** he successfully automated several survey and CAD processes for our department that have resulted in more efficiency. In addition, Mark committed the time and effort necessary to obtain his Professional Land Surveyor license during his time with **THHinc**.

It is unfortunate that the economy has forced us to reduce our staff levels, Mark was a valued team member and is missed. I highly recommend Mark for employment; he would make a great asset to any organization.

Sincerely,
Trabue, Hansen & Hinshaw, Inc.
